Presenting Invesco India Banking & PSU Debt Fund

Invesco India Banking & PSU Debt Fund is a fixed income offering that seeks to generate optimal returns by investing in debt and money market instruments issued primarily by banks, public financial institutions (PFIs), public sector undertakings (PSUs) and municipal bonds with the intention of maintaining high credit quality and liquidity in the portfolio.

Scheme at a Glance

Invesco India Banking & PSU Debt Fund aims to generate optimal returns with low credit risk.

- Majority of its assets are invested in debt securities and money market instruments issued by PFIs and PSUs.
- The investments are selected following a detailed assessment of system liquidity and interest rates, while avoiding credit risk
- The fund uses various portfolio construction levers of instrument, term spread, spread over G-sec, liquidity, diversification and duration to decide the appropriateness of any security in the portfolio
- The funds 5+ year duration gets the benefit of a steep yield curve and the benefits of a benign interest rate environment and possible spread contraction due to pick up in demand for high quality PSU bonds amidst surplus liquidity conditions
- Fund is positioned as close to 10 year roll-down strategy to benefit from the steepness of yield curve.
- As of now, the fund is 100% deployed in AAA rated papers for maintaining high asset quality of the portfolio.

Note: The above positioning is based on our current views & market conditions, and are subjected to change from time to time.

Fund Suitability

- Suitable for Investors with an investment horizon of medium to long term.
