Note: The product labelling assigned during the NFO is based on internal assessment of the Scheme characteristics or model portfolio and the same may vary post NFO when the actual investments are made.

Picking the right opportunities across Large, Mid and Small caps can be tricky. The smart choice would be to invest in a fund that covers them all. Invesco India Multicap Fund invests in companies across Large, Mid and Small caps. With extensive research and a proven track record over 14 years* we aim to only pick companies with potential for growth. So you do not miss out on opportunities, no matter where they appear.

Note: As per the SEBI norms, Multicap Funds need to invest minimum 25% each in large cap, mid cap and small cap companies. *Past performance may or may not be sustained in future. Invesco Asset Management (India) Private Limited/ Invesco Mutual Fund is not guaranteeing or promising or forecasting any returns.

Presenting Invesco India Multicap Fund

Equity stocks are broadly classified into large caps, mid - caps and small caps. While large – caps are leaders across businesses, being more stable and resilient in tough economic periods; mid – caps are high growth companies with potential to be tomorrow's large – caps and small caps offer potential to scale, niche businesses.

Investment Strategy & Portfolio Construction Guidelines

- The fund adopts a diversified approach and invests across large, mid and small cap companies
- Emphasis on bottom up approach to select stocks across the market capitalization range with focus on long term growth with no sector bias
- While retaining its flexibility, the fund maintains exposure in the range
 - Large cap companies : 25% - 50%
 - Midcap & Smallcap companies : 50% - 75% (minimum 25% in midcaps and minimum 25% in smallcaps)
- The fund will hold around 50 to 70 stocks

The above mentioned fund universe, portfolio, stock selection, sector allocation and asset allocation are based on our current views & market conditions and are subject to change from time to time.

As per SEBI circular dated October 6, 2017 largecap companies means 1st - 100th company in terms of full market cap, midcap companies means 101st - 250th company in terms of full market cap and smallcap companies means 251st company onwards in terms of full market cap.
