

Invesco Mutual Fund launch of Blockchain Fund deferred.

New launch dates will be announced later.

November 17, 2021: Invesco Mutual Fund announced today that the launch of its proposed new fund **Invesco India - Invesco CoinShares Global Blockchain ETF Fund of Fund** originally scheduled to open for subscription on November 24th, 2021 has been deferred. The new launch dates will be announced at a later date. The underlying fund invests in listed equities of companies in developed and emerging markets that participate in the blockchain ecosystem.

From the developments of the last few days, Indian lawmakers have been meeting participants in the country's digital assets industry, which will likely culminate in a new legislative framework being formulated.

In light of the above, we believe it is important for investors to fully understand all aspects before making long term investment decisions.
